The Expansion was conducted throughout 2012 as the new real improvements were completed and new machinery, equipment and other tangible personal property was acquired or transferred to the Facility and placed into service.
- 12. In 2012, fifty-three (53) new jobs were added in connection with the Expansion. Following the Expansion, the Facility currently employs approximately 176 employees.
- 13. This Application seeks the exemption of all real and tangible personal property (other than tagged over-the-road motor vehicles) associated with the Expansion that is used in connection with or is necessary to the operation of the Facility (the "Expansion Property"), as shown on Exhibit "C" attached hereto. The original cost of all Expansion Property is \$12,732,954.88.

Code Ann. § 27-31-105, as evidenced by the Tower MOU attached hereto as Exhibit "A" and the Nissan MOU attached hereto as Exhibit "B."
- 3. That all expenditures shown on Exhibit "C" attached hereto are used in connection with and are necessary to the operation of the Facility;
- 4. That the Expansion was completed during 2012, within the meaning of the applicable laws of Mississippi;
- 5. That the Applicant should be granted an exemption, under Miss. Code Ann. § 27-31-105, from ad valorem taxation, except school district taxes and the "mandated levies" described in Miss. Code Ann. § 27-39-329, as provided by law, for a ten (10) year period beginning on January 1, 2013, for the Expansion Property;
- 6. That the Board should approve this Application by a Resolution spread upon its minutes, declaring that the Expansion Property described herein shall be exempt from all ad valorem taxation, except school district taxes and the "mandated levies" described in Miss. Code Ann. § 27-39-329, for a ten (10) year period beginning on January 1, 2013; and,
- 7. That the Board should forward the original Application and a certified transcript of such approval to the Mississippi Department of Revenue and, upon approval of this Application by the Mississippi Department of Revenue and the issuance of its certificate of approval, should enter a Final Order on its minutes granting the prayed for Expansion Exemption and notify the Madison County Tax Assessor of such Expansion Exemption, obtain a certificate of the Madison County Tax Assessor verifying the status of said property as non-taxable on the appropriate tax rolls, and file a copy of the Final Order with the Mississippi Department of Revenue.
