Re: Alleyway Access

Dear Board:

I rent office space on the Canton square which is located at 168 West Center Street. The building is owned by Crumley Properties, LLC. The building abuts the alleyway to the north which is owned by Madison County.

There is a wrought iron privacy gate that prevents access to the alleyway. The gate is controlled by a key pad with a gate code. It is my understanding that the previous building owners paved the alleyway with the understanding that they would have private access to the alleyway via the wrought iron gate.

I am requesting that the Board provide me with the gate code so that I may have access to the alleyway for parking purposes.

If granted, this would make two (2) parking spaces available on the square due to the fact that my legal assistant and I would park in the rear of my office.

Your consideration of this request would be greatly appreciated.

Sincerely,

DANIEL S. SPIVEY

RE: Alleyway access

Dear Board,

I own the two-story building located at 172 W. Center Street that abuts your alleyway. We are the only building abutting the alleyway that does not currently have access to our rear property. It would be very helpful for maintenance and tenant use to have access to our rear property via the alleyway.

Any help would be greatly appreciated.

Thank you,

David Crumley, Architect
