Prepared exclusively for **Madison County** (Madison County)  
Domain: [Title]

## CREDIT CARD PROJECT DETAILS

### Credit Card Processing Equipment and Cost

Payment portal will be added to a local PC or website. We offer on free IDTech Mag strip credit card reader per account. Funds will deposit directly into the specified bank account daily.

#### There is no cost to the municipality.

- There is zero cost per transaction to the Madison County. The customer will bear the cost at the time of transaction by paying a **2.35% Service Fee** for in person transactions and **3% Service Fee** for online payments.

#### Install

- ION will build the payment portal and assist with the integrations to your website or set up on local PC.

#### Training

- Training will take place at the time of install. A representative will train each employee one on one.

### Funding

ION has the ability to offer next day funding.

### Setup and Ongoing Support

ION will set up the virtual terminal and provide training as needed. Our professional support ensures that our helpful staff will be available to provide ongoing support and assistance. We're here to answer your questions and assist you in the future.

### 100% Satisfaction Guarantee

If for any reason you are not completely satisfied with the Electronic Payment Solution offered by ION, you can elect to cancel the project at no cost to the Madison County.

### Completion Date

Project will be completed in 30 business days or less.

### Agreed Too and Accepted

Madison County authorizes ION to be the preferred Electronic Payment Provider which is pursuant to the above description of work.
