<p>This order maybe contingent upon availability and the results of a site survey performed by our Engineers. Equipment used for data services &amp; network cabling must meet minimum standards. If special construction is required after site survey, TEC and Customer will have the option to cancel the order for this service. Additional fees may apply to improve network standards. TEC is not responsible for any charges which may result from the termination of any existing agreement. Taxes and fees including local, state, county, E911 and federal tax assessments and fees are in addition to the above charges. Term begins on date service installation is complete. This is an order on the products and services named, subject to the TEC terms and conditions. Any wiring, equipment and construction not noted in this Service Order are the responsibility of the customer. Please review the Master Service Agreement (MSA) available at <a href="https://www.tec.com/Resources/Master-Service-Agreement.pdf">https://www.tec.com/Resources/Master-Service-Agreement.pdf</a>. TEC's provision of services to you is subject to all provisions set forth in the MSA, and by signing below, you indicate that you have read, understand and are in agreement with all parts of the MSA an that you will comply with all requirements set forth therein.</p>
