To Whom It May Concern

I Ollie Washington, would like to petition the board asking for permission to allow my daughter Marva J Hall to place a mobile home on my property so she can assist me with my activities on my daily living. I am disabled and have had several brain surgery. I have a bad heart condition and a cancer survivor. I frequently lose my balance and falls. So I feel like I need my only daughter close to me my two granddaughters are living out of state. I will be highly appreciated if you all grant her the permission. Thanks

Your Truly
