Hi Joe,

Any Mississippi state agency or local governmental entity can reuse the award for RFP 3859. The award and contract are still valid and won't expire until 8/31/2021.

Any agency or entity wishing to reuse this award must come through ITS since we performed the original procurement. All they need to do is submit a procurement request and attach a quote from TCSWare.

The instructions for submitting a request form are here:

<https://www.its.ms.gov/Procurement/Pages/Procurement-Forms.aspx>

You can also submit a request online here:

<http://dsitspe01.its.ms.gov/its/procurement.nsf/Instructions?OpenForm>

Please let me know if you need anything else.

Thanks.

Yes, ITS extended the date for MDPS to 06-30-2021 by ITS-CP1 (attached). ITS would have to determine if that applies to all state and local agencies utilizing the contract, or not.

Hi Joe,

Yes, we did a date extension with DPS for in-car dash cameras. I only handled the document that gave DPS spending authority. Please reach out to Clay Johnston at DPS if you have any questions.
