MEMORANDUM

TO: CMPDD Local Officials

FROM: Mitzi R. Stubbs
Community and Economic Development Coordinator

DATE: January 7, 2020

SUBJECT: 2020 Community Development Block Grant
Public Facilities Program

It is time to prepare applications for the 2020 Community Development Block Grant Public Facilities Program (CDBG PF)!

This program provides grant funds to local units of government for a variety of public improvement projects (e.g., water or sewer facilities, public buildings, ADA improvements, etc). The proposed project should benefit low and moderate income families and areas. Additionally, special priority is given to those projects that plan to eliminate existing health and safety hazards and to projects that commit matching funds.

MDA has announced the dates for submitting applications but has not given the allocation details yet for the 2020 CDBG PF program. **I have scheduled a meeting for all potential applicants on January 28th beginning at 1:30 p.m. at the CMPDD office.**

Please contact me, if you have a potential CDBG Public Facilities project and will be attending this meeting. A Resolution to Apply is required to be passed before your board for approval, so I will prepare a Resolution for you when you call to confirm your attendance.

Our phone number is 601.981.1511 or you may email me at mstubbs@cmpdd.org.

I look forward to working with you! Thank you.
