Dear Mr. Vance:

Thank you for allowing us to quote the Election Commission on the deliver of the voting equipment for the Primaries on March 10.

The cost for moving these machines, using lift gate trucks, will be \$1500 per truck per day. We will make 3 runs on the delivery out, as well as the pickup. The total cost will therefore be \$9,000.00.

Each truck will have 2 of our people on it to handle loading and unloading.

Thank you again for allowing me to quote you on this move. I would be happy to discuss this move in more detail at your convenience. Please feel free to call me at 922-5700, if you have any questions.

Sincerely
