To Whom It May Concern:

I, Dr. Linda Hunter, am writing to request that a mobile home trailer be placed on the property of Ramando Sanders at 156 Renfroe Drive, Flora, MS 39071. He is needing the home placed on his property to house a disabled relative, Pearlie Mae Ransom, that is under my medical care. Her neurologist, Dr. Adele Thiel in Flowood, has prescribed her 28mg of Namzaric and along with myself, suggested that she has home monitoring. Moving the home to Mr. Sander's property would make for a more convenient arrangement for Ms. Ransom and Mr. Sanders as it would allow her some freedom and assistance if needed.

Thank you for your consideration in this matter. If there are further questions or comments, I can be reached at: (601) 573-4134.

Sincerely,

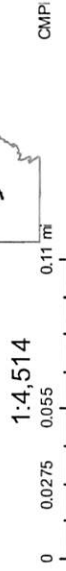

Linda Hunter, MD
