Dear Chief Ross:

PUBLIC FIRE PROTECTION FACILITIES  
KEARNEY PARK FIRE PROTECTION  
DISTRICT  
MADISON COUNTY, MISSISSIPPI

---

Reference is made to the recent survey and grading of the Kearney Park Fire Protection District's fire prevention and fire protection facilities. The purpose of this survey was to gather information needed to determine a fire insurance classification which may be used to develop fire insurance rates. This survey was not conducted for property loss prevention or life safety purposes and no life safety or property loss prevention recommendations will be made. We are pleased to advise that the fire defenses of the Kearney Park Fire Protection District have advanced, and an improved fire insurance classification of Eighth Class has been confirmed effective August 19, 2019.

As you may know, the public fire protection insurance classification number is used as only one of several elements in developing some individual property fire insurance rates. Individual property fire rates are also dependent upon specific construction, occupancy, private protection and exposure from adjacent buildings.

We are pleased to attach a bulletin that is being distributed which outlines the procedure to be followed in changing fire insurance rates on properties in the Kearney Park Fire Protection District based on the new classification.
