Dear Mr. Steen and Board Members:

Our office has currently hired two new employees which will bring us back up to our original number of staff members. This request is for \$34,320.00 each per year for the two new employees, which will be \$16.50 per hour.

We also need to increase five of our current new employees from \$16.00 each per hour to \$16.50 each per hour. This increase will raise each of the five newest staff members' salary by \$1,040.00 per year.

New employee	\$34,320.00 per year
New employee	\$34,320.00 per year
Five current employees \$.50 per hour each \$ 1,040.00 per year or	\$ 5,200.00 per year

We sincerely thank you for your help and agreement with this request.

Very truly yours,
