RE: Lep Childress Road South of Livingston Vernon Road as Affects Parcel #061H-34-010/02.00

Dear Cynthia:

Per the last Board of Supervisors meeting, West Madison Utility District prepared a Petition regarding having Lep Childress Road declared a public road as it extends south from Livingston Vernon Road up to Justin and Devin Terrell's property identified as Parcel #061H-34-010/06.00, which is located at the end of the road. As stated at the last Board meeting, West Madison Utility District uses part of Lep Childress Road for access to its water well identified as Parcel #061H-34-010/02.00, and depends on Madison County for road maintenance in the event it encounters issues of this nature that would affect its ability to perform its function of providing water to its customers.

West Madison Utility District sincerely appreciates the Board of Supervisors' assistance in this regard, and if anyone has any questions, please let us know.

Sincerely,

West Madison Utility District
Board of Commissioners
