Re: Memorandum of Understanding

Judges Hannan and O'Neal:

A few weeks ago I sent a letter advising you of an increase in the daily detention rate effective March 1, 2020. I was asked to prepare the enclosed Memorandum of Understanding in order for the Board of Supervisors to document this change in their board minutes. As I stated in my previous correspondence, new detention center regulations were recently published and as a result all detention centers will begin re-applying for licensing through the Juvenile Facilities Monitoring Unit. As a part of the application process I will submit documentation of Memorandums of Understanding with other agencies /or entities that are associated with the facility. I ask that each of you sign the enclosed document and return it to me as soon as possible. I have enclosed a SASE for your convenience. If you have any questions, please contact me.

Sincerely,

Sandi R. Woods
