TO: WHOM IT MAY CONCERN

I, James C. Powell, am requesting to be granted permission to place a mobile home on the property at Bracey Rd in Canton Ms. I asking permission to locate this home at this location because I a parent that is aging and she needs to be cared for at all times. The health has been failing for a while, and she can no longer take care of herself. I need to be closer to my mother so that I can give her the care that she needs. She can no longer cook, clean and do anything else for herself. She needs constant care with the medication, meal and bath. I need to there so that I can give her the care she need.

My mother is 81 years old and she cannot do for herself. And I feel that it is my responsibility and my duty to care for my mother. She was there for me and now it is my turn to be there for her. Her health is failing her every day.

So I am requesting to be able to locate a mobile home on this property to be able to care for my mom.

I also have included a medical statement for her physician also.

I pray that I can be able to do this so that I can take care of my Mom.

Sincerely
