Dear Board of Supervisors,

I would like your permission to allow the County Administrator to release the fiscal year 2019 contractual payments to the Madison County Fire Protection Districts, the Town of Flora, and the City of Canton for their services. They have met the contractual requirements with the County and reporting data with the State Insurance Commissioner. Camden Fire is not current in reporting calls on the State's FireBridge system, but they will use this payment to replace a computer at their fire station and then will get current on reporting their calls. Below is the payment list.

Camden Fire Protection District	\$ 10,000.00
Farmhaven Fire Protection District	10,000.00
South Madison County Fire Protection District	10,000.00
Kearney Park Fire Protection District	10,000.00
Southwest Madison County Fire Protection District	10,000.00
Valley View Fire Protection District	10,000.00
Town of Flora	10,000.00
City of Canton	<u>21,091.00</u>
Total	\$ 91,091.00

With the exception of the City of Canton and part of South Madison (Gluckstadt) Fire District, all of these firefighters and Fire Board members are volunteers who dedicate their personal time and some even risk their lives for the safety of others. Our gratitude to these First Responders will never be enough for what they do.

Thank you for your support,

Minor Norman
