Dear Board of Supervisors,

I would like your permission to start the process of purchasing a Fire Truck from the State Contract list. Once I have a truck designed with requested options and all pricing have been verified to meet State Contract pricing, I will then come to the Board for permission to purchase that vehicle. This Fire Truck will be assigned to Valley View Madison County Fire Protection District. It can take up to 400 days for delivery of the Fire Truck once the order is placed. This Fire Truck will replace on that is 24 years old.

Thank you for your support,

Minor Norman  
Fire Coordinator
