I will let Roosevelt and the night crew know about the stairs.

The cost to provide a full time day porter for Justice Court from 8 to 5 daily would be \$2,556.00 per month. Eliminating the night cleaning amount of \$1,016.00 per month will result in an additional cost to the county of \$1,540.00 per month.

Thanks
Stan

Hey,

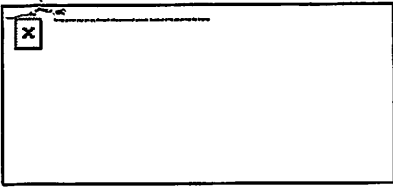

With everyone concerned about being around other people, we have more people using the stairs. We have (4) stair wells in the admin/chancery building that need to be regularly swept and occasionally mopped.

Also, I need a quote for a full time 8-5 person at Justice Court.

Thanks,

D
