From: Kesha Buckner, Purchasing Clerk   
Subject: Request Purchase of Cutters

Attached are copies of a quote for purchasing tractors for Madison County Road Department. The quote was received from Deviney Equipment, this quote is submitted as part of the negotiated purchasing agreement that the Department of Finance & Administration makes available to counties.

I recommend purchase of (2) Diamond Mowers – Diamond DBM- C-P cradle boom; 50” rotary boom; factory mount and joystick – four function control using State Contract pricing from DFA negotiated contract.

Road Manager Cornelius Bacon has reviewed the specifications of the cutters.

That is correct if that is your choice and your board does not require multiple quotes. You always want to make sure the item is actually on contract as well as the dealer is an authorized dealer listed on the contract.

Just to confirm,

Because this item is on a negotiated competitive contract, Madison County can purchase this specific tractor from our area's vendor dealer without obtaining additional quotes from other vendors/brands?

Thanks,  
SV
