Neither party is legally obligated to consummate the purchase of the vehicle upon the terms listed above unless, and until such time as Customer and the Dealer enter into and execute a separate Customer's Purchase Order. Customer hereby acknowledges and understands that there may be other terms and conditions that will control as to the purchase of the vehicle and that such terms and conditions will be contained in and governed by a separate Customer's Purchase Order and any other related agreements between Customer and the Dealer (and/or any other third party) as may be necessary to consummate the proposed purchase of the vehicle.
