Subject: Scott Gideon, request to haul dirt on McMillion Road
Date: June 25, 2013

Scott Gideon requests permission to haul excess material from a pond to Hatheway Lake, using McMillion Road. Letter provided.

6/25/13

Madison Co. Board of Supervisors.

This letter is a request for access to Mcmillan Rd. for the removal of dirt from my property to Hathaway Lake Subdv. I have a need to excavate approximately 10,000 yards of dirt from my property for a small 1 acre lake project , and Hathaway Lake Subdv. has a need to fill lots in their current phase. Trucks will be entering Mcmillan Rd. and going south approximately one mile where they will enter the construction entrance for Hathaway Lake. We accept responsibility for any damage to this road that may occur from this process and agree to repair the surface for any issues relating to our project. Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Gideon", with a long, sweeping underline.
