Subject: Award term bid for Polyurethane Foam Applications

Gentlemen:

Term bids were recently opened for Polyurethane Foam Applications for the period 1 July 2013 to September 30, 2014. This is a new process used to fill voids, under seal, and lift and level sidewalks and curbs and gutters. It is often less expensive than busting out concrete sidewalks and curbs and gutters and then re-pouring concrete. Jimmy Vickers can answer any technical questions you may have about the foam application process.

Bids were received from Bulldog Construction and Sunbelt Sealing. The bid prices were identical except for the "less than 100 pounds" pay items, where Bulldog was \$28 cheaper per pound. I therefore recommend that the board award the term bid for Polyurethane Foam Applications for the period 1 July 2013 to 30 September 2014 to Bulldog Construction. I also recommend that the board award the first alternate term bid to Sunbelt Sealing.

Sincerely,

Hardy Crunk
Purchasing Clerk

MADISON COUNTY, MISSISSIPPI
SPECIFICATIONS AND BID SHEET
