Re: Thomas Powell; 01/21/1958

To Whom It May Concern:

Mr. Powell is a 62 year old male under the care of Dr. Louis J. Saddler at Merit Health Internal Medicine Canton. Mr. Powell is has multiple chronic illnesses; Type 2 Diabetes, Hypertension, Colon Cancer, Hyperlipidemia and Dyspnea that require him to have close supervision. It is strongly recommended that someone is close neighboring to this patient at all times.

Please consider this request for the wellbeing of his health. Please contact our office with any further questions regarding Mr. Powell's health.

Thank you,

A handwritten signature in black ink, appearing to read "Louis J. Saddler", written over a horizontal line.

Dr. Louis J. Saddler

Re: Address for Parcel  
092F-13A-021/00.00 (GPS: 32.630045 -90.037841)  
Structure: T (MOBILE HOMES)  
Subdivision:

Per your request, we have determined your new address to be:

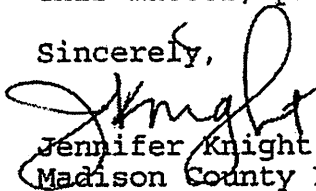

805 ADAMS LN  
CANTON, MS 39046

Please find enclosed the E-911 ordinance for the maintenance of the Madison County Emergency Response System. We ask for your cooperation in marking your residence or structure as stated per the ordinance. This is very important in emergency response.

Because an address is based on an access point of a structure, please note that for some unforeseen reason the access point that this address assigned from should change, it is very important that you contact our office with the new information.

If you have any additional questions or need further assistance with this matter, please contact our office.

Sincerely,

Jennifer Knight  
Madison County E-911 Administration

# Permit/Recommendation

This document is proof that a Notice of Intent has been filed as per  
Section 41-67-5, Mississippi Code of 1972, Annotated

The Mississippi State Department of Health has examined the soil and terrain of the property indicated below. The following recommendations are made using soil and site analysis principles and our best efforts. The Mississippi State Department of Health makes no warranty or representation as to any wastewater system installed. Recommendations may be voided if grading or fill changes the soil characteristics or if plat (dwelling or private water well) is changed and/or relocated.

If you have any questions about your Permit/Recommendation, please contact the environmentalist of record. Current Certified Installers can be verified from [www.healthymms.com/wastewater](http://www.healthymms.com/wastewater) or verified by environmentalists.

**General Placement/Location of Soil Boring(s):**

Grid area for drawing or notes.

**Notes:**

**Author:** KENNETH EVANS

Property measures 103ft x 213.5ft.

The applicant indicated that he would be willing to place mobile home so that it faces Adams Ln. If the mobile home is placed no less than 130ft from the south property line, there should be room to place three half radius 25ft spray heads in the back yard. The installer should try to place them as close as possible to the midpoint of the side boundaries to ensure setbacks are met.

Two yellow flags were left approximately 132ft from the south property line. If the home is placed any nearer the south boundary than these flags, it could prevent the installation of an MSDH approved septic system.

**Next Steps:**

Please make several copies of this document (Permit/Recommendation), and supply to the following if applicable:

- \* Public utility supplying water, to receive a water meter
- \* Certified well driller, if water source is from a private well
- \* County Code Office (Planning Department), placement/building permit
- \* Certified Installer, for installation

**REMINDER:** Approval of the design, construction or installation of an Individual On-site Wastewater Disposal System by the Department is required. The Certified Installer is responsible for notifying the Department 24-hours before beginning installation of your Individual On-site Wastewater Disposal System and, at that time, to schedule a time for inspection of the system with the Department.

After the inspection, you must provide the Department with the following to obtain Final Approval:

- \* Affidavit - Installation (From the Certified Installer)
- \* Affidavit - Maintenance (From you, if an Advanced Treatment System was installed)
- \* An additional fee of \$97.50 may be required for Final Approval, if not paid with initial application (Please see "Application" box on this form).

PLEASE BE AWARE, the Department cannot give Final Approval to any installation that occurs without inspection by the Department at the time of installation.

**REMINDER:** If any person or Certified Installer fails to obtain Final Approval or submit an Affidavit of proper installation to the Department in the installation of the system, the Department, after due notice and hearing, may levy an administrative fine not to exceed \$10,000.00. Also, if any person is operating in the state as an installer without certification by the Department, the Department, after due notice and opportunity for an administrative hearing, may impose a monetary penalty not to exceed \$10,000.00 for each violation as per Section 41-67-7(4) and 41-69-25(8) of the Mississippi Individual On-site Wastewater Disposal System Law.
