Shannon Huff
[128 Oak Bend Trail, Ridgeland, MS](#)

Land owner is asking for permission to temporarily place a mobile home on the 43-acre property while waiting for house plan finalization, waiting on construction to begin, and during the building process of a [4000-5000](#) square foot house that is currently under design. The house pad for this future home has been completed on the property. The property has also been improved with a road leading to the house site, a road leading to a shop site, completed shop pad and a pond. Neighboring parcels consist of 650 acres, 40 acres, 38 acres, 20 acres, and 17 acres, none of which contain a residence.

Shannon Huff has spoken with Karl Banks (supervisor for his area) and Scott Weeks about this, and they recommended Shannon send in a request for the board's approval.

Please see the hand drawing showing where the house pad is located and subsequently where the mobile home will be placed on the property temporarily.
