To: Mr. Scott Weeks, Planning and Zoning Administrator

From: Rita McGuffie, MLHPD

Dear Mr. Weeks:

The Mannsdale-Livingston Heritage Preservation District (MLHPD) Commission would like to request that we be allowed to conduct our meetings in the Madison County Board Room in Canton until further notice due to COVID concerns. MLHPD holds its regularly scheduled meetings at 6:30 pm on the second Monday of each month. Our usual meeting space is unavailable because of COVID restrictions and it is unclear as to when we will be able to use it again. Thank you.

Sincerely,

Rita McGuffie, MLHPD
