Dear Ms Carney,

We have your truck set up for the runoff election. We will deliver the machines on 11/23 and pick them back up on 11/25.

The cost per truck, per day will be \$1,575.00 each. Since we will only need one truck for the runoff, the total cost for delivery and pickup will be \$3,150.00

As we have done before, each truck will have 2 of our people on it to handle the loading and unloading.

Thank you again for allowing us to quote you on this project. Please call me at 601-922-5700, if you have any questions.

Thanks,

Scott McGehee
President
