Kesha,

We are very disappointed in this decision. Where did this project advertise? How did contractors receive notification about this project? We are 1 of 3 potential contractors for the composite elevated tank. We are currently constructing composite tanks in Jackson, Starkville, and Gulfport.

Thank you,
Jonathan R. Dixon, P.E.

Since the advertisement stated "A Mandatory Pre-Bid " the vendor will not be allowed to participate in the bidding process.

Thanks,

Ms. Buckner,

I have tried to contact Chad Wages with Civil Link, but I have not been successful. We were informed last week about a project bidding for Madison County. We have constructed a project there in the past, and we would like to participate in this bidding opportunity. The Advertisement for Bids states that there was a mandatory pre-bid conference on November 18th. We were not aware of this project until last week. Can we bid the project?

Thank you,
Jonathan R. Dixon, P.E.
