146 W. Center St  
Canton, MS 39046

Dear Board of Supervisors:

The Providence Board of Directors, on behalf of the Providence Property Owners Association, supports a Golf Cart Ordinance for our community. We feel that it is imperative for the safety of our residents to have this in place.

If you have any questions, please contact us through Specialty Management at 601-605-8380.

Thank you for working to help us keep Providence safe!

Sincerely,

  
Jeffrey Dillon, President
