Dear Mr. Webb:

In response to the attached letter from OSARC regarding forfeiture of LSBP funds, this letter is to present good cause that Madison County is earnestly working toward the necessary expenditure of the LSBP funds made available to Madison County.

Based upon the LSBP project summary shown on the next page and the good-faith effort on behalf of Madison County regarding the matter, Madison County hereby requests an additional twelve months to expend the funds subject to the forfeiture.

Please feel free to contact our office if you need additional information or documentation.

Sincerely:

Gerald Steen

President

Madison County Board of Supervisors

Re: Forfeiture of LSBP funds

House Bill 1320 which was passed during the 2009 Regular Session of the Mississippi Legislature states "when a county has failed to expend the monies allocated to it under the Local System Bridge Replacement and Rehabilitation Program..., for an uninterrupted period of two successive fiscal years, the county shall forfeit and no longer be entitled to the outstanding cumulative balance on hand of the monies that were allocated to it under the program before that period of time. Before a forfeiture of funds may occur under the provisions ..., the State Aid Engineer shall give written notice to the board of supervisors of the county at least ninety days before the forfeiture, and for good cause shown, he may allow the county an additional twelve months to expend the funds subject to the forfeiture."

Pursuant to HB 1320, this is written notice that Madison County has \$568,750.26 eligible to be forfeited unless good cause is shown to the State Aid Engineer by October 11, 2013.

If you have any questions please contact Brandi Stuart at 601-359-7150.

Sincerely,

H. Carey Webb, P.E.
