Re: Request of E-911 Funds
Southwest Fire Dept.
Radio Equipment

Our office is received a letter from Southwest Fire Department requesting assistance for the purchase of (2) new handheld radios. The Southwest Fire Department is in the process of improving their fire rating, which requires a certain number of staffed volunteer fire fighters. The purchase of the radios will allow them to adequately equip the number of needed staffed fire fighters.

We are requesting the funds of \$580.00 to given to Southwest Fire Department from the E-911 funds for this purchase.

Attached is the letter of request from Southwest Fire Department and a quote for the radios.

If any further information is needed, please contact our office.

Re: Portable Radios

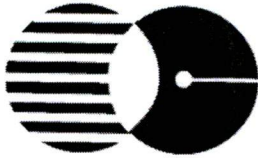

Southwest Madison Fire Department would like to request the purchase of (2) new vertex standard portable radios programmed for Madison County EMA fire only. We also have (2) Vertex VX-180 portable handheld radios that need to be reprogrammed to the new system, and they both need new batteries and chargers.

Thanks for your help with this matter. If you need anything else just give me a call.
