Dear Board of Supervisors

The City of Canton Fire Department would like to present to you this proposal for review. We seek \$300,000 a year as funds towards the rural fire protection agreement with the Madison County Board of Supervisors and the City of Canton until available full income, based off the fire district at a rate of 8 mill taxation become available. This Intel's the legal fire boundary found in the (ESN fire code 195), which cover areas within a 5 miles radius of the Canton City limits. Due to Growth within the City of Canton legal fire district these fund would be necessary to Lease Purchase a new Ladder truck for \$1,195,000.00 and cover equipment maintenance and equipment and other obscured circumstances .This will give us the opportunity to operate according to the fire district needs. Our aim is to give the most sufficient yet effective fire protection services for the citizens of Canton and Madison County.
