Subject: TEST | [Action Required] SHRM21 Annual Conference & Expo Update

Dear SHRM Attendee,

We have exciting news to share about the SHRM21 Annual Conference & Expo. We are delighted to announce today that the date and location for this flagship event has been moved to **September 9-12, 2021, in Las Vegas!**

The safety of our attendees is and always will be paramount. Unfortunately, we are unable to hold the conference in Chicago in June because the state of Illinois hasn't yet determined when current gathering limitations will be lifted.
