Dear Ms Cobbins:

This letter is to request a no cost contract extension on our HOME Grant Project Number 1228-M16-SG-280-045. To date we have completed four (4) rehabilitation housing units and the reconstruction of two (2) housing units.

The Madison County Board of Supervisors anticipates completion of the close-out of the project in the next month. We submitted the project monitoring documents in January 2021 and have received a response from your agency. We are in the process of responding to your agency. Additionally, we have submitted close-out documents to your agency that are currently under review.

Thank you for your assistance in this matter. If you need additional information or have questions, please contact James Curtis Smith, Project Administrator.

Sincerely,

Karl M. Banks, President
