Mr. Karl Banks
Madison County Supervisor, District 4
125 W. North St.
Canton, MS 39046

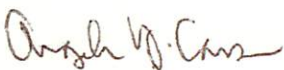

Dear Mr. Banks,

The Canton Hispanic Taskforce was formed to bridge the gap between the Hispanic community and the city of Canton and Madison County by addressing culturally sensitive issues.

The Taskforce, comprised of persons from various backgrounds, has been meeting weekly to understand the issues and develop solutions. Sheriff Randy Tucker recently met with us to discuss the sheriff department's role in this work. He shared that his department has a community council that was formed as part of the ACLU lawsuit.

The Canton Hispanic Taskforce Committee would like to request that your council appoint a Hispanic person to serve on this council. We are available to discuss this matter at your convenience. We are also willing to speak to the Madison County Board of Supervisors if needed. Please contact me at 601-955-1132 or acarsonpga@gmail.com if you need additional information.

Sincerely,

Angela Y. Carson, Chair
Hispanic Taskforce
