Madison County Road Department 3137 S. Liberty Street, Canton, Mississippi 39046

The following list of residents is requesting their dirt roads to be paved to improve the living conditions in their neighborhood. There is lots of traffic including, school buses, garbage pickup, mail delivery, residents daily activities and others. This is not only hard wear and tear on the vehicles, but health hazard with the dust that we breathe and mud we encounter.

There are other families that are waiting to relocate here. Our road conditions have been a hindrance.

The Official Representative of the Petitioners:
