RE: Hearn Creek Project

Dear Mr. Crosby:

Please be advised that the Madison Board of Aldermen has voted to commit \$8,850.00 to share funding of the local share for the Hearn Creek drainage project, subject to review and approval of final contract documents and construction plans.

Based on our review of the NRCS documents transmitted to the Board of Supervisors on June 17, 2013, it appears that the Board of Supervisors will assume responsibility for real property acquisition and operation and maintenance responsibilities. Obviously, the City would also need to review the actual construction plans to ensure that the proposed work will not have any adverse effect upon adjoining or downstream properties.

Please advise when the County is ready to proceed with this project.

Sincerely,

Mary Hawkins Butler, Mayor  
City of Madison, Mississippi
