Re: Application for Rezoning Filed by Linda Upton

Dear Mr. Johnston:

As you are aware, after the conclusion of the public hearing upon Mrs. Upton's rezoning request, Supervisor Griffin moved to table and continue the matter until 9:00 o'clock a.m. on September 16, 2013, which motion was then adopted by the Board.

Unfortunately, I have an unavoidable scheduling conflict for September 16, 2013, as I have a case that is set for trial that day in the County Court of Madison County, Mississippi, and I will therefore be unable to be present before the Board on that date.

In view of such circumstances, I respectfully request that this matter be reset for some other convenient date when I will be available to represent my clients in opposition to Mrs. Upton's rezoning request. For your information, I am available on either Tuesday, September 3 or Monday, October 7, 2013.

Please advise as to what other steps, if any, I need to take in order to have this matter reset for some other date. I will be happy to confer with you and counsel opposite to arrive at a mutually convenient date.

Very truly yours,

J. M. RITCHEY

cc: James A. Peden, Jr., Esq.
