Shelton:

Captain Tommy Jones brought a \$40,000 check to your office the last week in June for deposit into the state drug fund. This was done in error as the check should have been deposited into the seized money account, checks made payable to the attorney who handled the seizure, disbursement to a local agency, and disbursement to the state drug fund from the seizure account. Please issue a check to the Sheriff to refund that \$40,000 so it can be deposited into the seizure account and the above described disbursements made. Thanks in advance.
