Subject: Award Term Bids for Rental of Equipment with Operator, Fuel, and Maintenance

Gentlemen:

Term bids were recently opened for the rental of various pieces of construction equipment with operator and fuel, and maintenance. There were three bidders: Goodloe, Key Constructors, and Bulldog Construction. Bulldog called shortly after the bid opening to state that it cannot honor its bid due to incorrect calculations in the weekly and monthly columns on the bid sheet. Attached is the bid tabulation with the low bid for each piece of equipment highlighted in yellow.

For informational purposes only, the tabulation on several pieces of equipment also includes the State Contract rental price without an operator or fuel. Awarding term bids for the rental of equipment with an operator and fuel would not preclude the county from renting equipment without an operator and fuel if it chooses to do so in the future.

I recommend that the board take the following action, noting that all of the below bids include the specific piece of equipment, an operator, fuel, and maintenance:

1. Award the term bid for rental of a 90 horsepower tractor with side clipper to Key Constructors.
2. Award the term bid for rental of a 90 horsepower tractor with bush hog to Key Constructors.
3. Award the term bid for rental of a 40 horsepower tractor with box blade and frontend loader to Key Constructors.
4. Award the term bid for rental of a 300 horsepower tractor with 17-yard dirt pan to Goodloe.
5. Award the term bid for rental of a 400 Horsepower tractor with two 17-yard dirt pans to Goodloe.
6. Award the term bid for rental of a 100 horsepower forestry mulcher to Key Constructors.
7. Award the term bid for rental of a tract skid steer loader to Key Constructors.

8. Award the term bid for rental of a Caterpillar D-6-R, John Deere 850-K, or equivalent Dozer to Goodloe
9. Award the term bid for rental of a Caterpillar D-6-N, John Deere 750, or equivalent dozer to Key Constructors.
10. Award the first alternate term bid for rental of a Caterpillar D-6-N, John Deere 750, or equivalent dozer to Goodloe.
11. Award the term bid for rental of a Caterpillar D-4, John Deere 550, or equivalent dozer to Key Constructors.
12. Award the first alternate term bid for rental of a Caterpillar D-4-N, John Deere 550, or equivalent dozer to Goodloe.
13. Award the term bid for rental of a Caterpillar 320-CL, John Deere 200-D, or equivalent excavator with thumb to Key Constructors.
14. Award the first alternate term bid for rental of a Caterpillar 320-CL, John Deere 200-D, or equivalent excavator with thumb to Goodloe.
15. Award the term bid for rental of a Caterpillar 312-CL, John Deere 120-D, or equivalent excavator with thumb to Key Constructors.
16. Award the term bid for rental of a Caterpillar 416, John Deere 310-J, or equivalent rubber tire backhoe to Key Constructors.
17. Award the term bid for rental of a Caterpillar 416, John Deere 310-J, or equivalent rubber tire backhoe (extend-a-boom) to Key Constructors.
18. Award the term bid for rental of a tandem-axel dump truck (15 yards) to Key Constructors.
19. Award the term bid for rental of a Trailer truck (24 yards) to Key Constructors.

Thank you in advance for your consideration of the above recommendations,

Hardy Crunk  
Purchase Clerk

**BIDS MUST BE SIGNED AND SUBMITTED ON COUNTY-FURNISHED BID SHEET—NO EXCEPTIONS**

Madison County is seeking term bids for the rental of the construction equipment listed on Page 2 of the Specifications and Bid Sheet. **Equipment shall be furnished with a qualified operator, fuel, and maintenance.**

A separate term bid will be awarded for each individual item of equipment; however, the Madison County Board of Supervisors reserves the right to award term bids only for those pieces of equipment it deems in the county's best interest and to reject any and all term bids.

The use of brand names and the term "equivalent" in the specifications is solely for the purpose of describing the size, horsepower, performance level, characteristics, and nature of the needed equipment and is not intended to limit or restrict competition or to exclude any domestically-manufactured brand of equipment.

All specifications are stated as a minimum.
