Re: Private Road Name Change
Porter Lane (pvt) to McClenty Lane (pvt)

Our office received a complete road name application on July 6, 2021, petitioning to officially change the name of Porter Lane (an existing private road situated in unincorporated limits of Flora, MS) to McClenty Lane. The road will remain private and maintained by property stakeholders. Once approved, our office will range the road and reassign all respective property addresses.

We are seeking approval to change Porter Lane to McClenty Lane and have the board minutes reflect change as well as remove Porter Lane and add McClenty Lane to the Madison County Road Registry. The application is attached for your review.
