Dear Mr. Vance and the Madison County Board of Supervisors:

The mission of the American Red Cross is to prevent and alleviate human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors. During the time period from July 1, 2020 to June 30, 2021, the American Red Cross has provided **\$18,935 in direct disaster client assistance**, serving a total of **102 individuals in Madison County**. Disaster Services expenditures are broken down as follows: *food, clothing, lodging, medications and disaster-related health care, referrals to community partners and government resources, and other essential items that can be used immediately during recovery.*

All American Red Cross disaster assistance and services are *free*, made possible by the generosity of donors such as you. Assistance to your community is provided without regard to citizenship, race, religion, age, culture or creed.

In addition to the disaster services we provide, the American Red Cross touches the lives of the people in your area through our Services to the Armed Forces (SAF). In this past year, we have provided **428 SAF case services** to members of the military and their families in Madison County. We also provide Preparedness, Health, and Safety classes which make your area a safer place to live. This year, **111 individuals** in Madison County took one of these courses from the Red Cross.

On behalf of the American Red Cross, we thank you for your past support of the vital services provided in your community. We request the Madison County Board of Supervisors consider supporting American Red Cross Disaster Services for residents of Madison County in the amount of **\$6,000**.

We are more than happy to provide a formal presentation regarding our request at one of your upcoming meetings should you like me to. Please let me know so I can be placed on the meeting agenda.

Sincerely,

A handwritten signature in cursive script that reads "Crystal Brown".

JUDICIAL DECISIONS

1. In general.

County cannot appropriate money to private corporation. [Brister v. Leflore County, 156 Miss. 240, 125 So. 816, 1930 Miss. LEXIS 159 \(Miss. 1930\)](#).

OPINIONS OF THE ATTORNEY GENERAL

The Board of Supervisors of a county cannot grant any donations of public funds or county office and parking space to private non-sectarian charities that are not expressly statutorily enumerated. Walters, Mar. 18, 1992, A.G. Op. #91-0168.

County board of supervisors has no apparent authority to contribute funds for utilities and insurance for building owned by city and leased to non-profit organization which uses it as community center. Cossar, Nov. 25, 1992, A.G. Op. #92-0889.

Although a Drug Task Force may not make a donation of funds or property, the counties and cities making up the Task Force may contribute funds to a domestic violence shelter as they see fit under [Sections 19-5-93\(o\)](#) and [93-21-115](#). Pacific, June 28, 1995, A.G. Op. #95-0329.

[Section 19-5-93](#) gives the board of supervisors of each county the discretionary authority to make donations for certain purposes; however, there appears to be no authority for the board to make a donation to a private nonprofit corporation. Meek, October 11, 1995, A.G. Op. #95-0644.

The statute does not include the Boy Scouts or the Girl Scouts among the organizations to which county supervisors may donate funds. Carnathan, Oct. 27, 2000, A.G. Op. #2000-0649.

Subsection (q) specifically authorizes counties to make donations to any residential group home for abused, abandoned, or neglected children, and the authority to donate includes the authority to perform and donate the value of in-kind services. Smith, Mar. 9, 2001, A.G. Op. #01-0121.

If a county-owned residential group home for children is closed, any funds existing which are not necessary to satisfy any debts related to its operation may, in the discretion of the county board of supervisors, be transferred to the non-profit corporation, either as consideration of the services to be provided, or as a donation. Barry, Nov. 9, 2001, A.G. Op. #01-0662.

The authority to donate includes the authority to perform and donate in-kind services and, therefore, a county board of supervisors who contracted with a Mississippi nonprofit corporation to provide professional services as a residential group home, could use its equipment and labor to construct a private drive on the property of the nonprofit corporation to provide ingress/egress to it from a public street. Barry, Mar. 29, 2002, A.G. Op. #02-0143.

A county board of supervisors lacks authority to approve a request for a grant submitted by a health service organization that is a proprietorship and not a governmental entity. Dulaney, Sept. 27, 2002, A.G. Op. #02-0563.

Y-CAP, a division of the YMCA, is not a residential group home as defined by [Section 19-5-93\(q\)](#). Jewell, May 9, 2003, A.G. Op. 03-0206.

Because the shelter established by Interfaith Hospitality is not a residential group home as defined by [Section 19-5-93\(q\)](#), therefore, a county board of supervisors does not have the authority to appropriate funds to that organization. Meadows, May 23, 2003, A.G. Op. 03-0221.

A county board of supervisors does not have the authority under this section to appropriate funds to provide financial assistance to a homeless shelter operated by a private non-profit corporation. O'Donnell, July 18, 2003, A.G. Op. 03-0307.

Assistance of a county board of supervisors in the demolition of a part of building and hauling away the debris to aid an early head start center is not a donation within the purview of subsection (p) of this section. Entrekinn, July 18, 2003, A.G. Op. 03-0323.

There is no authority for a board of supervisors to make a donation to a private nonprofit corporation. McWilliams, Aug. 8, 2003, A.G. Op.03-0404.

A board of supervisors could not assist a non-profit public purpose corporation in the removal of existing concrete slab foundations on their property. McWilliams, Aug. 22, 2003, A.G. Op. 03-0370.

Nothing in the section authorizes contributions for a private community action agency. Welch, May, 6, 2004, A.G. Op. 04-0174.

No authority is provided by this section for a county to donate funds to a park owned by a private, non-profit corporation. However, a county may lease property for a public park and/or contract for operations of a public park. Chamberlin, Aug. 13, 2004, A.G. Op. 04-0318.

Where transfer of title to a building by a company to a county is followed by temporary retention of possession by the donating company, and the eighteen month possession of the building by the company is presumably far less than the building's appraisal value, therefore, the possession of the building after transfer would not be an impermissible donation. Crow, Dec. 8, 2006, A.G. Op. 06-0583.
