Re: Flexible Spending Plan – FY 22

Our Flexible Spending Plan, approved by the board on July 6, 2020, requires full funding for each employee at the time of their enrollment. The human resources department determined \$65,150.00 is required at the onset of FY 22 for current employees. To meet this requirement, our Flex Spending bank account needs \$65,150.00 which allocates \$18,000.00 and \$47,150.00 for dependent care and medical reimbursements, respectively. We seek board approval for a loan from the Payroll bank account to the Flex Spending bank account of \$65,150.00 for current employees and the amounts new hires select as their flexible spending plan throughout FY 22. The loan will be repaid via employee payroll withholdings throughout the year.
