RE: Request for Change in Scope
Sulphur Springs Park Trail, RTP #20-RTP-341

Dear Mr. McDill,

The Madison County Board of Supervisors is requesting a change in scope to this project in order to provide a bridge over the spillway of the lake. This will allow the trail to be continuous all the way around the lake. Currently the trail terminates on each side of the spillway. This change is expected to cost roughly \$60,000 but will not cause any change in the amount of the grant request.

If you have any questions, please contact Tim Bryan at 601-790-2520 .

Sincerely,

Karl Banks, President
Madison County Board of Supervisors
