

MADISON COUNTY EMERGENCY MANAGEMENT AGENCY

On 12/16/2021 at approximately 12:30 hours I Deputy Kyrie L. Lucas arrived at 2494 S Liberty Street Canton, MS Scott Petroleum. Upon arrival I attempted to fuel my county issued vehicle (BOS#10582 Vin#1FTFW1E5XMFA83023) but was unable to complete the transaction from the pump due to the card reader not functioning properly. I contacted a Scott Petroleum employee at which time he advised me that the card readers at the pump were not functioning properly. The employee advised me that he would have to let me pump my fuel first and let me pay after I finished. After I filled my county issued vehicle up, I attempted to pay for the fuel with my fuelman card at which time the transaction was declined. I was unable to contact my administrator due to the office being closed for lunch. I had to purchase the fuel with my personal debit card in the amount of \$86.76. I am asking the Madison County Board Of Supervisors to refund me in the amount of \$86.76.
