RE: City of Gluckstadt, Adoption of Comprehensive Plan & Zoning Regulations

Dear Mr. Weeks:

As you know, the City of Gluckstadt has been working toward assuming responsibilities for building and zoning within the City. On December 16, 2021, the Gluckstadt Board of Aldermen adopted a Comprehensive Plan for the City, zoning regulations and a zoning map. The new regulations go into effect on January 16, 2022.

We have also contracted with Mr. Jeff Williamson to serve as our zoning and building official. At our next meeting on January 11, 2022, we will likely adopt building codes and other items which will become effective February 11, 2022. We will begin accepting zoning related applications February 1, 2022 and assume all building and zoning tasks effective March 1, 2022.

Finally, I want to express my sincere gratitude to you and the Board of Supervisors for your cooperation and patience as we continue to transition from county to city governance.

Sincerely,

Walter C. Morrison, IV
