Attached is a copy of a receipt for fuel purchased for a county vehicle by Wayne Wells. Lt. Wells pumped the gas after the attendant informed him the fuelman would work inside but would not work at the card reader outside. However, the fuelman card would not run inside the station either and Lt. Wells paid for the gas with his personal card.

Can you please reimburse Wayne Wells \$54.70 for the cost of the fuel?

Thanks,

Jeremy Williams
