Re: Proposed Redistricting Plan

Dear Mrs. Jones and Gentlemen,

In order for Madison County Citizens and the general public to have the opportunity to review and evaluate the full details of the Madison County Redistricting Plan, I respectfully request the Madison County Board of Supervisors to extend the February 1st Deadline on the Redistricting Plan for 60 days.

It is only proper for the Board of Supervisors to give reasonable advance notice to the citizens and public of the Proposed Redistricting Plan to allow time for all details to be reviewed and to make readily available to the public the complete details of the proposed plan.

The following are some of the information that should be made available to the Madison County Citizens and the public by the Board of Supervisors:

1. The BOS should provide a statement giving the need and objective of the Redistricting Plan.
2. The BOS should provide the census tracts that are included in each part of the precincts for each split district.
3. The BOS should clearly define in a readable manner what part of each precinct is included in the district.
4. The BOS should provide the information where the splits occur and the justification for the split.
5. The BOS should provide the supporting details to show that their numbers are accurate.

This request is respectfully submitted,

Robert W, Tyson
