Mr. Scott Weeks Zoning Administrator, and Madison County Board of Supervisors:

I am requesting an extension to the exempt mining operation located on Highway 43 North, Canton Ms. 39046. The property is previously approved based on an extension from September 7, 2021. Unfortunately, I did not find out of the approval until the end of November when I was shown in the board minutes of the approval. Due to recent weather events, we have not been able to conclude the reclamation and closing of activities of this location.

I humbly request an additional 3 months to complete the activities.

Thank you in advance for your assistance and consideration of this matter. If I may be of further assistance please contact me at 601-955-9362.
