**Mr. Butch Hammack**  
**Emergency Management Director**  
**Madison County Emergency Operations Center**  
**P.O. Box 608**  
**Canton, MS 39046**

**Dear Mr. Hammack:**

The Advisory Board of The Salvation Army of the Greater Jackson Area has nominated you as a potential member. Your leadership in the community and your caring heart for others are the primary reasons for your nomination. We have a very prestigious Board and all believe you will be a valued addition to such a group.

The Advisory Board meets once a month, currently the third Thursday of each month (this may change at the September meeting). We completely understand that important people are very busy and in high demand and there may be meetings you cannot attend. We do not ask for a specific monetary donation from our Board members, but we do ask for connections, resources, and relationships.

The Salvation Army is extremely busy in our community, bringing transformation to those who have been stuck in multi-generational cycles of poverty and direction for those who have lost their way. We are putting our resources into programs that teach and love people out of poverty and giving them the resources for a "hand up" and not a "hand out."

We need your expertise, your passion. Please give this request prayerful consideration. Enclosed, you will find a list of the current Board members. YOU can be part of that dedicated group of leaders who want change for our people.

I will be most grateful if you can respond to me no later than September 13 so that you may attend our meeting on September 19 from 12 – 1 pm at the Beasley Road location. We will then ask for you to attend an orientation session in early October.

I look forward to hearing from you. May God richly bless you and your family.

Yours for "Others,"

Ken Chapman, A/Captain  
Regional Coordinator/Corps Officer
