Subject: Section 3 Compliance Determination Response to HUD Form 60002
Project Number: 112912045PF01

Dear Mr. Steen:

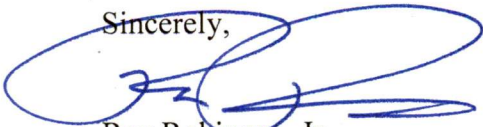

CSD is in receipt of your response regarding non-compliance with the federal Section 3 reporting requirements of 24 CFR 135 and HUD Form 60002. As a sub-recipient of federal funds from CSD, you are required to implement procedures (i.e. Section 3 Plan) that will increase opportunities for training and employment for lower income residents and increase the utilization of business concerns of Section 3 covered funding within your community. All sub-recipients must make affirmative attempts to reach Section 3 numerical goals and document those efforts.

In review of Madison County's response, the response adequately addresses the non-compliance concern submitted by CSD and therefore will be acceptable for this reporting year. In the future, CSD will expect all sub-recipients to comply and meet the section 3 numerical goals.

For additional Section 3 guidance, please refer to the *CSD Section 3 Policy and Procedures 2012* located at www.mississippi.org/csd. Scroll down to the "Federal Funded Projects Compliance Guidance and Forms" link; click on "Section 3"; then under Policy and Procedures, click on "CSD Section 3 Policy and Procedures 2012".

Sincerely,

Ray Robinson, Jr.
