Re: **Canton Convention & Visitors Bureau (“Canton Tourism”)**
Request for Approval of Courthouse Tours

Dear Mr. Ridinger:

Per recent discussions, Canton Tourism wishes to conduct in-person walking tours of the interior of the historic courthouse on the Canton Square.

On behalf of Canton Tourism, please accept this as a request to conduct these tours beginning in May 2022 and continuing on an ongoing basis in the future. As a condition of its use of the courthouse facility, Canton Tourism agrees to indemnify and hold harmless Madison County for any injuries or damages caused by these walking tours. Canton Tourism further confirms that it carries liability insurance with coverage in good standing. Canton Tourism protocol for use of courthouse tours will go through Drew Ridinger.

If there are any questions or if further information is needed, please let me know.

Sincerely,

MONTGOMERY McGRAW, PLLC
